Subject: Support for CSR Initiative - DM Fitness Gym Setup at Yellow Gate Police Station, Mumbai

Respected Sir/Madam,

I am writing to extend my full support for the proposal submitted by Yellow Gate Police Station, Mumbai, to set up a DM Fitness (Dino Morea Fitness) Functional Gym for police personnel under the Corporate Social Responsibility (CSR) initiative.

Reference: Letter O.W. No. 301/2026 dated 18/05/2026 from Senior Police Inspector, Yellow Gate Police Station, addressed to Officer In charge, CSR, ONGC, BKC.

Key Points in Support:

Operational Necessity: Police personnel at Yellow Gate Police Station perform duties under extreme physical and mental stress, often working 24x7 shifts. An on-site functional gym will directly improve their physical fitness, stress management, and operational readiness.

Space & Feasibility: The station has already identified a secure, underutilized area within its premises that is suitable for a space-saving, open-air gym setup as offered by DM Fitness.

Community Impact: Supporting our police force aligns with our organization's values and CSR objectives. Fitter, healthier officers can serve the public more effectively, creating a direct social impact.

Employee Morale: Many of our employees interact with and depend on local law enforcement. This initiative reinforces our commitment to community welfare and public safety.

I strongly recommend that our HR/CSR team consider supporting or co-sponsoring this initiative. A functional gym setup will be a tangible, long-term asset for the health and well-being of frontline personnel who protect our city.

Kindly review the enclosed copy of the request letter from Yellow Gate Police Station and consider taking this proposal forward under our CSR policy.

Thank you for your time and consideration. I am available for any further discussion or coordination required.

Subject: Request for Setup of DM Fitness (Dino Morea Fitness)
Open / Functional Gym for Police Personnel

Dear, Sir/Madam,

I am writing to formally request a partnership with your esteemed organization under your **Corporate Social Responsibility (CSR)** initiative to set up a functional fitness zone for the police officers and personnel stationed at Yellowgate Police Station, Mumbai.

Law enforcement personnel work round-the-clock under highly stressful and physically gruelling conditions to ensure public safety. This constant pressure takes a severe toll on their physical and mental well-being. To help our force maintain peak operational readiness, manage stress, and reduce health risks, we plan to establish an on-site **DM Fitness (Dino Morea Fitness) Functional Gym** within our premises.

DM Fitness specializes in innovative, space-saving, and open-air functional training setups. A CSR sponsorship from your organization for this project will directly benefit our personnel

We have already identified an underutilized, secure area within our police station premises that is ideal for this gym setup. It is our humble request that your organization supports our police force by approving this socially beneficial project under your Corporate Social Responsibility (CSR) policy.
